IMPACT HIGHLIGHT: BUILDING A TIE-DYE BUSINESS

Esther B. Sayway was one of the participants in the Tie-Dye Workshop. After acquiring the skill, she was inspired to motivate her peers by starting her own tie-dye business!

Esther emphasized that even a small skill can be life-changing, and she is determined to put every skill she learns into practice. She encouraged her peers not to take any skill for granted but to use them seriously and with purpose.

"You can never be great in your comfort zone. Let's always appreciate our skills we have and try to make necessary use of them.

The power is in our hands to make it positively ".
